EXHIBIT A

Enforcement Policy

Notice of Violation: If the Board, in its discretion, determines that an Owner or occupant of any Lot is violating the Declaration, use rules or other governing documents, then the Board or its designee may deliver written notification to a Lot Owner or occupant setting forth the following: (a) the specific violation and date of the violation; (b) the required compliance and corrective action (“**Compliance**”); (c) the sanction to be imposed if Compliance does not occur; and (d) the Owner’s right within 10 days after receipt of the notice either to file an appeal or make arrangements with the Board or its designee in writing to accomplish Compliance. Any appeal must be submitted in writing to the Board, outlining the reasons for the appeal.

The “**Due Date**” for Compliance means one of the following, as applicable:

- 1) completion of Compliance within 14 days after the notice of violation if the Owner does not file an appeal within the 10-day period;
- 2) if the Owner made arrangements with the Board or its designee, then expiration of the date for Compliance set by the Board or its designee; or
- 3) if the Owner filed a timely appeal, then expiration of the time allowed for Compliance as set forth in the final appeal decision (or within 10 days after the appeal decision if no time for Compliance is set forth in the appeal decision).

If the Owner fails to remedy the cited violation by the Due Date, a Notice of Enforcement Fines will be sent to the Owner.

Notice of Enforcement Fines: A Notice of Enforcement Fines will inform the Owner of:

- 1) The nature and description of the violation and the failure of the Owner to correct the violation.
- 2) The fine to be assessed and billed to the Owner, and recorded to the Owner's account, with such fine being subject to all available collection efforts including administrative and collection fees as set forth in Exhibit B to the Rules.
 - a) 1st Fine: The amount set forth on Exhibit B if Compliance is not completed by the Due Date.
 - b) 2nd Fine: Double the amount of the first fine above if Compliance is not completed within 30 days after the Due Date.
 - c) 3rd Fine: Triple the amount of the first fine if Compliance is not completed within 45 days after the Due Date.
 - d) 4th and Subsequent Fines and Additional Sanctions: If the Owner has not completed Compliance within 60 days after the Due Date, then the Owner will be subject to ongoing per occurrence or per diem fines in the amount of the third fine above. Further, the following privileges shall be suspended: use of any Common Area or recreational facilities; any services provided by the Residential Association to the Owner; and the temporary suspension of the Owner's right to vote. A lien may be recorded against the Owner's Lot and a demand of payment letter delivered by an attorney for the Crystal Ridge Homeowners Association for any and all unpaid fines. The Owner in violation shall be liable for all expenses incurred by the Crystal Ridge Homeowners Association including all legal and collection costs associated with the above actions.

Any administrative, legal, or other costs incurred by the Board to remedy the violation shall be assessed against the Owner along with the above-described fines.

Fines assessed against an Owner must be paid to the Crystal Ridge Homeowners Association within ten days of the date of written notice of the violation (but deferred until completion of any hearing, if applicable) and the fine assessed therefore. The Board will consider any request for an appeal in a hearing.

Hearing Requirements: If an Owner appeals a Notice of Violation, Board members should review the governing documents and the details of an alleged violation before the hearing takes place. At the hearing, the alleged offender, along with other interested parties, should be given an

opportunity to present information and/or evidence. Minutes should be taken at the meeting that record (1) the hearing's purpose, (2) people who appeared at the meeting and evidence presented, and (3) the final decision of the Board. Within ten (10) days of the hearing the Board shall (a) inform the Owner that the Notice is voided, or (b) confirm the Notice and terms of remediation.

The Board shall provide written notice to the offending party of (1) the Board's final decision, (2) the time frame in which the owner has to remedy the violation, and (3) the possibility that additional fines may be imposed if the violation continues.

Failure to Respond to Notice/Request a Hearing: Failure by the Owner to contact the Board within ten (10) days following a Notice of Violation shall be (i) a waiver of the opportunity for a hearing; and (ii) considered implied consent for the Board to perform any maintenance or other remedial action available to it under the Declaration or by law. This shall include access to the Lot by the Board or its designee and the Owner shall assist with such access and not impede access.

Exception to the Notification Requirements of this Policy: Violations identified by at least one member of the Board per Article IX Section 1 of the Declaration pertaining to refuse containers stored in violation of the Declaration on non-collection days (excepting the placement of such on the street the night before collection day) are exempt from the notification procedures of this policy. Instead, the Owner will be notified of the violation and the applicable fine will be automatically assessed to the Owner as set forth in the Schedule of Fines attached to the Rules as Exhibit B.

Abatement: Notwithstanding the above, the Board may at any time during the enforcement process determine it to be in the best interest of the Association to end the above-described enforcement process and refer the matter to legal counsel to pursue the Crystal Ridge Homeowner Association's remedies, which may include injunctive relief, to correct or otherwise abate the violation. An Owner may correct or eliminate a violation any time during the enforcement process as set forth herein, and the enforcement process will be cancelled upon verification by the Board that the violation has been corrected; provided, however, all fines assessed prior to the date that the Owner or occupant came into compliance with these rules shall stay in place.
