

Pssst...the CR
Play Lot needs
your help!!

Please join your neighbors on May 4 (8:00 AM) and May 5 (11:00 AM) at the Play Lot to prepare and form the ramp and slab areas for pouring concrete. The bark needs to be cleared away, forms set and sand installed to set finish grade. If there are enough volunteers, we would like to plant shrubs and a cedar tree.

Free doughnuts and coffee!!

Looking forward to seeing you there!
