Want to make your payments online? It takes about 15 minutes to set up your account! Remember, if you don't pay your assessments, we can't make improvements to the community. If you need to make arrangements to pay your assessments, please call Vista!

CRHOA Dues Payment

You can mail your dues to VISTA:

Individual Homeowner Account

You can set up an individual homeowner account with Vista Management which allows you to see:

1. Account information on record
2. Your current account balance
3. Any violations or requests that need your attention
4. Update your personal information

To set up an individual homeowner account with Vista Management:

1. Email Cherie Klapp at cherie@govista.net and ask her to register your email address (you cannot access anything without doing this first).
 2. VISTA will send you a link to access the setup web page. (You will need this link, not just an email saying you have been registered.)
 3. After registering and setting up an account, access the account by going to vistacommunitymanagement.com, click on Owner Portal and log in.
