
ANNUAL NEIGHBORHOOD CLEAN UP

February 27, 2016

8:00 a.m. to 4:00 p.m.

Meet at the storm drain pond on 34th Street SE

Please Volunteer to Help Anytime During the Day: The Board will provide doughnuts, coffee, water and lunch. Please bring ear and eye protection, gloves, rakes, shrub cutters and brooms. Our landscape contractor JAC will help us with a small crew and a chipper.

Opportunity: Please come out to meet your neighbors and enjoy a day of helping keep Crystal Ridge a beautiful place to live.

Please contact the CRHOA at board@crystalridgehoa.org if you have any trees or shrubs or other yard debris you'd like chipped and hauled away. We will come by before February 27th and let you know if we can chip and haul it away for you.

We will be working on the drainage ponds, trimming trees and shrubs in the common areas and entrance monuments and cleaning moss from the mailbox rooftops.

Please let us know if you will be there to help or just show up on the 27th. Email us at board@crystalridgehoa.org and visit the CRHOA website at <http://crystalridgehoa.org> for more information.

Thank you.

THE CRYSTAL RIDGE BOARD OF DIRECTORS
