
NEIGHBORHOOD WATCH MEETING

March 1, 2016

7:00 p.m. to 9:00 p.m.

Puyallup Public Library in the North Room - 324 South Meridian, Puyallup, WA

Neighborhood Watch Meeting: Over the last few months, the Board has received several reports about crime in our neighborhood including home & auto break-ins, property theft, mailbox theft, homeless encampments, prowlers, etc. Some residents have installed personal security systems in their homes and The Board has requested Puyallup Police Department patrols. Affected residents have called the police, notified the Board who passed the info to everyone on our email DL & Facebook page and we have held two annual National Night Out (NNO) events. But does more need to be done?...if yes, what?...and how? The Board is scheduling this meeting to help organize our efforts to determine what we can do to make Crystal Ridge a safer community.

Opportunity: Please come to this meeting to participate in the discussion on what we can do as a community to improve this situation. If you have already signed up or have an active Block Watch contact list, please join us to share how your group functions. We want to organize our overall Block Watch program, plan for 2016 National Night Out (NNO) in early August and consider other options that may help improve our security.

Contact the CRHOA at board@crystalridgehoa.org if you have any questions or suggestions.

Please let us know if you plan to attend by emailing board@crystalridgehoa.org. More information will also be posted on our web site at <http://crystalridgehoa.org>.

Thank you.
